

A close-up photograph of a newborn baby's face, eyes closed, being gently held by a person's hands. The baby is wearing a white, ribbed onesie. The background is softly blurred, showing more of the person holding the baby. A semi-transparent rectangular box is overlaid on the lower two-thirds of the image, containing a list of questions in white, serif, all-caps font. The title 'Questions to ask' is written in a large, elegant, black cursive script at the top of the image.
